BISON PRODUCTION COMPANY PROFILE

Bison Production Company is 100% women owned and NWBOC certified one stop shop for Industrial Safety, Food Safety, Health Care, Industrial Cleaning and House Hold products in USA since 2009. For more than a decade Bison Production Company has been providing NSF® vinyl gloves, nitrile exam gloves, aprons and hairnets to distributors in the USA. Bison's products are shipped to 10,000 customers across USA on replenishment basis every week. Further expansion was made with facilities in Alpharetta, GA, Corona, CA and Little Rock, AR in 2012. With 6 global manufacturing locations Bison's brands across 5 categories have become the recommended brands by the industry experts. Our goal is to exceed the expectations of every client by offering outstanding customer service, increased flexibility, and cost savings for operational in-store solutions, retail and ecommerce.

At Bison, we believe in creating positive experiences by taking interest in our communities. This takes care of the interests of society by taking responsibility of our activities on customers, suppliers, employees, shareholders, communities, and the environment. Bison has undergone an orientation transitioning from "Charity & Philanthropy" to "Universal Beneficence" through strategic partner mode, with the motto "Dignity for all". We strongly believe in the highest of ethical standards and compliance regarding our employees, customers and suppliers. With monthly feedback from our benefactors we endeavor to improving the lives of the people we touch. Every day our employees worldwide enrich lives through our business and community programs such as health and wellness, environmental stewardship, community involvement, and employee advocacy.

More Safety.
More Quality.
More Protection.
